## Our President

**T**HERE is a deep satisfaction when you are conscious that the work in which you are engaged is according to the principles of God's Word and that it is being owned and blessed by Him. This is how we feel concerning the work of Bible School.

In the second chapter of Second Timothy, Paul lays down basic principles which are essential for the ministry. First, in verse two, he stresses the need of special instruction and teaching in such a manner that those taught shall be able to teach others also. Verse four teaches disentanglement from the affairs of this life, that one may give himself wholly and unrestricted to the things of God. Verse fifteen shows diligent and systematic study of the scriptures. Another basic principle is given in verse twenty-one, that of being a purged (separated) vessel, sanctified and meet for the Master's use, and prepared (furnished and equipped) unto every good work (or type of ministry).

If we carefully consider and weigh these basic principles given by Paul we will see they are in a very true

sense the basis and objectives of Bible School. That is why we at the Full Gospel Bible Institute count it a great privilege to have a part in helping to prepare young men and women in these scriptural ways for the Lord's service. Then, too, God had made us very conscious of His seal of approval in blessing and prospering the work in so many different ways during the past sixteen years.

Our hearts are filled with gratitude to the Lord as another fine group of young men and women graduate this year, going out as others have done in the past, to spend their lives in His service. Our congratulations and prayers go with them. May the Lord help each one to accomplish the work He has purposed for them as they serve their generation.

# DEDICATED

## To Consecrated Youth

The trend among the youth of today is toward conformity; to belong, to be one of the gang, to aspire in society.

This book is dedicated to young people who have the God given courage of their convictions to sever themselves from the flow of conforming humanity.

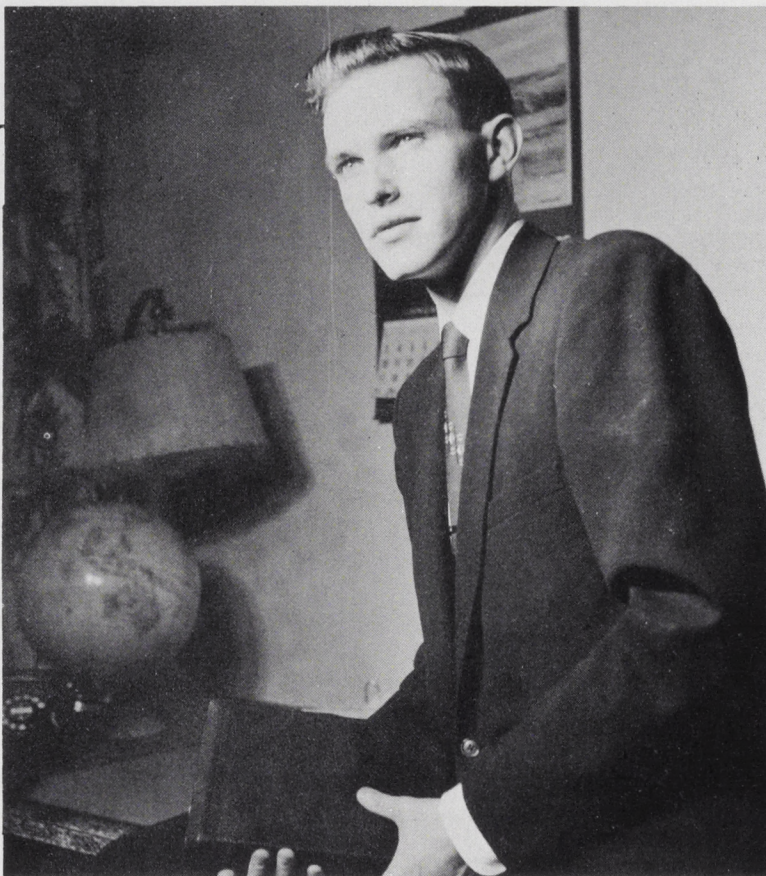

The Bible says, "...be not conformed..." The Bible says, "...be ye transformed..." When this is accomplished in our lives, then the Lord can use us in the way that He wants to.

YOU CANNOT GIVE TO THE WORLD ANY MORE THAN YOU GIVE TO GOD.

## Editorial

**W**HY are we presenting another edition of "The Burning Lamp"? Is it just a souvenir, a keepsake for the present student body? Is it just an advertisement for the Full Gospel Bible Institute? No, it is more than this.

We want this book to challenge young people to give their lives wholeheartedly to Christ, to seek His will for their lives, to follow His leading and guiding, and then, if the Lord so leads, to come to Bible School to study His Word.

The book is dedicated to "Consecrated Youth," youth who are not yet in Bible School, but who have already given their lives to Christ. We want to encourage them to go on and fulfill that which they have purposed in their hearts.

Then for you older saints of God, the yearbook is meant to present Bible School in such a way that you will be able to pray for us more effectively. As Paul prayed for Timothy starting out in the work of the Lord, we too need your prayers, "...without ceasing...night and day." II Timothy 1:3.

For our graduates, the "Torchbearers," this has been a year of completion, and yet one of commencement for newer and greater things. They have been fine examples and we have appreciated their sincerity and devotion.

The "Overcomers," our second year class, are one step closer to their goal, that of a fruitful Christian life.

The first year "Magnifiers" have launched out on a

new venture, a new phase of life, that will greatly profit them spiritually.

But why have these students come to Bible School? What is Bible School? Is it a "preacher factory"? A "missionary assembly line"? No! The purpose of Bible School is not to manufacture preachers, but rather to produce young men and women who have a basic knowledge of God's Word, and a humble, yielded heart ready to obey God's Will.

We are in this world as "...ambassadors...in Christ's stead..." II Corinthians 5:20. What a privileged position, but what a responsibility! We must purge ourselves and have "...a vessel unto honour, sanctified, and meet for the Master's use, and prepared unto every good work." II Timothy 2:21.

We, as the yearbook staff, have committed the preparation and the results of this book to the Lord. A lot of credit is due to all the staff who worked so industriously and cooperatively. Brother Pritchard has been a wonderful staff advisor. But if there is any good done or anything accomplished in hearts and lives through this book, all the praise and glory belongs to the Lord Jesus Christ.

"To the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever. Amen." Jude 25.

OPPORTUNITY IS HARD TO RECOGNIZE, IT SO OFTEN LOOKS LIKE WORK.

## Challenge

# Consecrated Youth

On the proving-ground of the development of Christian ministries, Bible School has made such contributions that it has been accepted in general as a sound church supplement. This is especially true of those who have felt the Call of God upon their hearts for His service. In its best function, however, it can but serve as a means of instruction—consecration comes from the heart.

Young people who have fully dedicated their lives to the service of Jesus Christ will find in Bible School a great opportunity to deepen their devotion to Christ and to be guided into the study of the Word. This is invaluable to one who has first given himself to the Master's service. Taking all this for granted, may we think of the blessings which come to young people through wholehearted consecration.

First, consecration to Christ safeguards the future of our Youth. From their earliest there is an instinctive cry, "Show us the Father." As preparation is made for a vocation, man is moved to look upward and say "Thou hast made us for Thyself, and our heart is not at rest until it rests in Thee." The day he yields to Christ, and the Holy Ghost takes control, he looses his orphanhood and obtains a sense of purpose and direction which otherwise is denied him. In the Lord Jesus the soul of the young voyager finds a home in which his deepest joys and highest ambitions are fully met. In consecration to

Him, the soul is transfigured. It shakes itself from the dust, and with vision puts on the beautiful garments of service, and under a sky of Divine Love fulfills the highest purpose of man.

Secondly, consecration of a Spirit-filled life is a blessing to the young as well as the old. Responsibility for wholehearted service is not for the old only. It is also for young people. What right has anyone to withhold till old age sets in, or so-called maturity? God works for immediate results. Today is a very prominent word in God's vocabulary. Nature teaches something here. During the days of youth, natural appetite is keen, the eye is clear, the mind is open and the body is strong. Largely unspoiled by human sophistication, and fresh from the Hand of the Creator, youth can soon detect the footprints of God in Nature, the Wisdom of God in Creation, and the Love of God in Redemption. Youth is an age of Faith. It is a time of dependence upon a strong arm, counsel from a wise head, and rest in the loving heart of fellow-men. Youth finds it easy to pity, easy to repent, and easy to adjust. Big jobs are to youth great possibilities, and with this there comes an expectation of great help from our Heavenly Father. From such vision great enterprises begin. Therefore, in its true analysis, youth cannot afford to loose this precious opportunity of wholehearted consecration. Someone has said "There are more that hear the voice of the Lord at the age of Samuel, than at the age of Eli." Common as conversion is in youth, so also consecration can bring wholehearted yielding to the Will of God in the days of youth.

# Our Principal

On April 7th, 1959, the board of F.G.B.I. asked Bro. Pritchard to become Principal of our school. In previous years, he has had only limited time in our midst because of pastoral duties elsewhere.

He is a lover of the Word of God, the Power of God, and the balance which goes with it. In his classes, students have been challenged and changed by his precise and practical illustrations of truth from both the Old and New Testaments. He majors in the Old Testament scriptures and takes a special interest in God's dealings

with the children of Israel. Each year, Bro. Pritchard places much emphasis on those notable words, "Prophecy is embedded in history, history is connected with geography, therefore, to know prophecy we must know history and geography."

We as students of F.G.B.I. consider ourselves privileged to have Bro. Pritchard, his wife, and two children, as residents with us in Eston this year.

May the Lord continue to glorify Himself through the life of our principal.

BLESSED ARE THE BUILDERS FOR THEIRS SHALL BE THE JOYS OF CONSTRUCTION.

ESTON

SASK.

"To Know the Scriptures and the Power of God"

Dear Students,

Have you ever considered that your home was actually your first school? Yes, the first days of your life were spent learning, learning in the school of your home. Mom and Dad were the teachers.

Sunday School was the next place of learning that you attended. Perhaps many of you have not realized what an important place this school had, and still has, in your life.

Then came Public School. A place where you were taught reading, 'riting and 'rithmetic. As long as people need to learn to read and write, public schools will be necessary.

Today we accept High Schools as being an essential part of our Educational system. It is normal to expect a large percentage of our Young People to complete their High School education.

After High School, there are many Schools, Universities and Institutions for advanced and specialized training. They all have a part to play in our society.

Where does BIBLE SCHOOL fit the picture? Perhaps this is your question. We feel that it comes before advanced training. Of course there are always exceptions to every rule, and some have come to Bible School after completing specialized training. But by and large Christian Young People entering University, by way of example, should enter with a firm conviction and with a working knowledge of the Bible.

The BIBLE is the foundation of a Christian's life. Just as public school is intended to lay a foundation for future schooling, Bible School is a place where a foundation is laid for future training in the Christian life.

We are sure that every Christian young person can profit by a Bible School training. We are looking forward to your coming to be with us next fall.

Yours in Him,

L.O. Pritchard.

Rev. Glen McLean

Brother G. S. McLean was appointed to the office of President by the Bible School Board in the spring of 1959. He had been the Principal of the Institute from its inception in 1944. We trust that God will lead and guide him in this his new position.

As a faculty member he teaches the first year class, The Holy Spirit and the first 8 chapters of the Epistle of Romans. He also teaches chapters 9 to 16 of the Epistle of Romans to the second year class, and a study of the Tabernacle to the third year class.

The students have appreciated the sound teaching of Bro. McLean. With vivid descriptions and practical illustrations from everyday life, he clarifies numerous difficult points.

There is never a time when Bro. McLean is too busy to speak to the students personally; and very often a thoughtful word brings cheer to a discouraged student.

Bro. McLean's rich experiences gleaned from his many years of Christian service help him tremendously in his busy schedule. Since 1941 he has been the pastor of the Eston Full Gospel Church. Today he is still faithfully fulfilling his duties to his Assembly, and is also a very vital part of the Bible School. Each one of us will remember not only the teaching we have received from Bro. McLean but also the example of his holy life for Christ.

We as a student body are truly grateful for the instruction given by Bro. Marshall. During the months we spend here, he imparts to us his love for Christ. We will never forget our debt to him nor our greater usefulness due to the mark he has made upon us, and that added incentive which we have received from a glimpse of his vision.

Each year Bro. Marshall teaches the first year class: Early Church History, the Gospel of John chapter one to seven, and False Cults. He teaches the second year class: Medieval Church History, the Gospel of John chapters eight to fourteen, Congregational Conducting, and Christian Evidence. His teaching ministry to the third year class includes: Modern Church History, the Gospel of John chapters fifteen to twenty-one, General Biblical Introduction, and Christian Evidence.

Bro. Marshall was relieved of his position as Dean so that he would be able to spend more time as music director. We are thankful for the instruction we have received in this department.

Bro. Marshall has said, "The subjects you like best, you teach best." We have no doubt that he likes his subjects.

We thank God for Bro. Marshall's teaching and also for his influence for Christ in our lives.

Rev. Albert Marshall

HE WHO TEACHES THE WORD OF GOD IS NEVER A SCHOLAR: HE IS ALWAYS A STUDENT.

**Rev. Robert Wilson**

Bro. Wilson is a man who has found a place in every student's heart. He graduated in 1952, and then pastored until he became a member of the faculty in 1956. When Bro. Wilson first came to Bible School he had no idea that he would be fulfilling the position of a teacher in later years. We know that God has really dealt with his life and that it is fully consecrated to the Master's service. His life is an example to every student, for he fully trusts and depends on the leading of the Holy Spirit. His classes in Acts, Theology and Christology are classes never to be forgotten.

Bro. and Sis. Wilson's home is always open to the students. You will find them participating in most student activities. He is the third year class sponsor.

Bro. Wilson is a skilled carpenter. He makes this his spare time hobby.

He is a man with a life for God, and a love for others.

Miss Krogel is our registrar and secretary. If you were to step into the office any day of the week you would find her busy working. Her duties include typing, book-keeping, and answering correspondence. She also publishes the school's bi-monthly bulletin.

Students first become acquainted with Miss Krogel through application and acceptance letters prior to coming to school.

Then when we finally do arrive, she is one of the first staff members we meet. The beginning of the term is a busy time for Sis. Krogel, registering each student and accepting payment of fees. Her efficient work and ready smile are appreciated by everyone.

Miss Krogel's duties also include instruction of the typing course offered to second and third year students. This occupies her time for four periods a week. She assists in the operation of the F.G.B.I. store as well.

Singing in the choir is one of the extra curricular activities in which Miss Krogel joins the students. She also enjoys skating on the school's rink.

Although Miss Krogel's position is administrative she has a concern for the spiritual welfare of each student. We know that the Lord will bless her as she continues to serve Him.

**Miss Pearl Krogel**

**Rev. Wilbert Crowder**

We have come to appreciate Brother Crowder's enthusiasm in teaching us how to reach children with the Gospel of Jesus Christ. Through his classes the need for 'trained' Vacation Bible School teams, and for 'trained' Bible Club teachers. He opens the door to an almost unlimited field of service in this phase of the Work of God.

Brother Crowder teaches the first year students Pedagogy. In this course we study the scriptural basis of teaching, the methods of Jesus the master teacher, and the application of these methods to Sunday School teaching today. We learn the laws of teaching and the methods of lesson preparation and presentation.

In second year he teaches Child Study. We must be familiar with the characteristics and needs of each age group if we are to effectively meet the spiritual needs of children. To enable us to do this, we study the physical, mental, social and spiritual characteristics of each age group from infancy to adulthood.

The third year class learns Sunday School Administration. We realize that to operate effectively and efficiently, a Sunday School must be properly organized. Pupils must be grouped according to their learning ability and their needs. Teachers and officers must be trained. We study the requirements of a successful Sunday School and how to put them into practice.

Bro. Crowder has been a member of the faculty since 1950.

Since the opening of the Bible School, Bro. Burnside's positions have varied. His first connection with the Bible School was as a board member. In 1956 he became the business manager. This year he became our Dean, thus his responsibilities are greatly increased. His sincere interest in young people enables him to fill this position very well.

Bro. Burnside is always ready and willing to listen to our problems and give us his helpful advice. Although, at times we may not show it, we truly do appreciate his deep concern for each individual student.

Apart from his school activities, Bro. Burnside has the added responsibility of teaching the Young People's Sunday School class in the Eston Assembly each Sunday morning. Sunday afternoon he travels to Brock and ministers the word there. It is needless to say his efforts in Brock have been much appreciated, during the last two years.

Although the school term ends in April, we find Bro. Burnside busily engaged as Manager for Trossachs Camp throughout the summer months.

We do thank the Lord for this man whom He has so wondrously used in the molding of young lives for the ministry. May God richly bless him from day to day, and keep him ever looking upward for strength to fulfill his duty to God and the school.

**Mr. Ronald Burnside**

**Rev. Arthur Sheppard**

**Rev. Frank Kosick**

**Rev. Elwood McRae**

**Rev. Irwin Ellis**

Bro. Art Sheppard, as the name of his book states, is "A Man Whose Heart God Has Touched." From his youth, he has felt the call of God, to preach the Gospel of Jesus Christ.

His ministry has taken him to several countries of the world, including Portugal, Ireland, Wales, England, Belgium, Jamaica, U.S.A., and Canada.

In 1948 the Faculty of F.G.B.I. asked Bro. Sheppard to join them in training young men and women for the ministry. His subjects are: Personal Evangelism, the Epistle to the Ephesians, and Theology Proper.

The challenge to "preach the gospel to every creature," has been received by many students through Bro. Sheppard's ministry.

Rev. Frank J. Kosick, pastor of the Calgary Full Gospel Church, has been a real inspiration to the Full Gospel Bible Institute Staff, Faculty and Student Body, since his affiliation with the school in 1953.

Bro. Kosick's stay with us is very brief each year, however, we greatly appreciate his teaching on missions and the gifts of the Holy Spirit. His many responsibilities lie in his youth and missionary-minded assembly, in which he has laboured for the past fourteen years.

We are grateful for the work the Lord is doing through Bro. Kosick's life and our prayers are with him.

We are indeed grateful to Bro. McRae for taking time out from his busy schedule as a pastor of the Regina Apostolic Mission, to come here to Bible School and teach.

Bro. McRae is with us for only one week each year, however, he has the ability to give us a great deal of the Word in this short time. His lectures on timely topics with an emphasis on practical Christian living are always a source of great blessing and inspiration to the student body.

Thank you, Bro. McRae, we will be looking for you again next year.

Rev. Irwin W. Ellis became a member of the Faculty of the Full Gospel Bible Institute in 1958. He and his family make their home in Calgary.

Bro. Ellis, Editor of the End Times' Messenger magazine, is well qualified as our teacher of Christian Journalism. For a brief period each year the student body benefits from his sound instruction.

We thank God for the ministry He has given Bro. Ellis in writing, and pray that he will continue to be used in leading souls to a saving knowledge of Jesus Christ.

The purpose of Bible School is to nourish the soul and spirit. Nevertheless our physical bodies need nourishment too. We as the student body have appreciated the fine food we have received these past months. It has been served by our capable cooks, Mrs. E. Erickson and Mrs. A. M. Merrett.

Mrs. Erickson came to our school from Carlyle, Saskatchewan, and has been with us since the beginning of the fall term. We know the Lord will reward her for this task so faithfully done.

**Cook: Mrs. Erickson**

**Cook: Mrs. Merrett**

Mrs. Merrett's home is in William's Lake, B.C. She has cooked for the past three summers at the Cowichan River Apostolic Camp. Responding to the need, she came here to cook for the last semester.

"Thank you," Sis. Erickson and Sis. Merrett for a job well done and may He continue to use both of you in His service.

## **Desperate Days Demand Desperate Actions From Desperate Men**

Because of this fact, we the graduating class of 1960 are about to launch out into the front lines of the battle.

Three years ago, we chose as our class name, the "Torchbearers." This immediately brings to our minds the story of another group of Torchbearers. These men also lived in desperate days. You can read about them in Judges six and seven. God sent Gideon to lead them in battle. God also sent His Son to the world to save us so that we could carry the glorious message of salvation to others.

In Bible School we have been getting our instructions for battle. In our first term we learned that we were **debtors** to those around us. But just knowing this fact was not enough. We had to **dedicate** ourselves to the job of paying the debt.

Of the 32,000 men who answered Gideon's call, only 10,000 were willing to dedicate themselves to the task which lay ahead. Gideon also needed **disciplined** men. Of his army of 10,000 dedicated men only 300 were willing to discipline their lives. I trust that these days in Bible School have made us dedicated and disciplined men and women. We have been taught to take on the whole armour of God. You will notice there is no armour for our back. Therefore, we must go forward, no matter what the cost.

Before Gideon sent his men to battle, he fed them. How thankful we are for our faithful faculty who have fed us sound **doctrine**. The word of God and the anointing of the Holy Spirit have given us a balanced diet which will sustain us through the thick of the battle.

God promised Gideon **deliverance** from the hand of the Midianites even before the battle had begun. II Corinthians 1:10 tells us that we, too, have been delivered from the hand of the enemy. Remember, one man with God is a majority.

As the hour for attack drew near, Gideon gave each man a torch hidden in a pitcher and a trumpet. How strange that they did not carry regular instruments of war. However, let us remember that, "The weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds." II Corinthians 10:4. God has given us the power of the Holy Spirit to combat the powers of evil.

At the last moment Gideon gave his men one final word of instruction. He said, "Look on me and do likewise." As the Torchbearers of 1960 we must keep our eyes upon our leader, the Lord Jesus Christ. We must be **devoted** to him.

At a given signal the men blew their trumpets and with a shout they broke the vessels and let the light shine forth. What a victory God gave Israel that night! These men had been **determined** to win.

Fellow Grads, we are **debtors**. Let us **determine** to be **dedicated**, **disciplined** and **devoted** so we can spread the **doctrine** of **deliverance** in these **desperate days**. Break your vessel and GO, "holding forth the word of life" as you burn out for God.

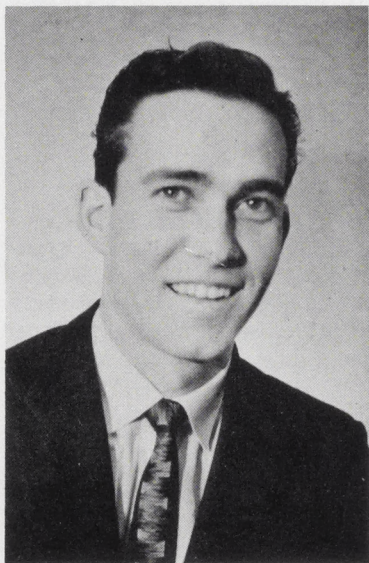

IT IS NOT WHAT WE KNOW, BUT WHAT WE SOW THAT DOES THE GOOD.

**Glen A. Paulson, Eston, Sask.**

The Bible has become a Living Book since I have attended Bible School. My testimony and desire in life is well expressed in Col. 1:10, "That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God."

I am truly thankful that the Lord Jesus not only saved me, but also keeps me every day. It is in Him alone, that I find the answer to the deepest longings of my heart. What a wonderful Saviour and Friend Jesus is! "... Christ is all and in all." Col. 3:11.

The study of God's Word has left my heart deeply impressed with the truth of Isaiah 61:10, "...He hath clothed me with the garments of salvation, He hath covered me with the robe of righteousness..."

How wonderful to know that God by His grace has done such a tremendous work for me.

After leaving Bible School, there is one thing I desire. As Paul exhorted Timothy in I Timothy 6:20, "...Keep that which is committed to thy trust...", so my desire is that I may impart to others the truth God has allowed, and is still allowing me to learn, while studying His Word.

Words cannot express the wonderful peace I have found in knowing Jesus Christ as my personal Saviour. It is my desire, as I live for the Lord, to tell the good news of salvation, "...And be ready always to give an answer to every man that asketh you a reason of the hope that is in you..." I Pet. 3:15.

During the time I spent at the Full Gospel Bible Institute, God made Col. 1:27 and 2 Cor. 5:21 a real blessing to me. I trust that by God's grace I will never be side-tracked by any secondary cause, and that Jesus Christ will be glorified in my life.

I have found Psalm 37:5 to be as true as the Lord Who inspired it. It is a great and wonderful experience to commit one's way unto the Lord, knowing that "...All things work together for good to them that love God..." Rom. 8:28. Truly Jesus said: "...Without me, ye can do nothing."

My main desire is, "Only to be what He wants me to be, every moment of every day." My greatest ambition is to win souls for Christ. I sincerely pray that I shall be found not merely successful, but faithful, in everything I do, even if it means death. "...By the grace of God I am what I am ..." I Cor. 15:10.

I am rejoicing that God in His mercy has saved my soul. He has lifted me out of a horrible pit, out of the miry clay, and set my feet on the Rock Christ Jesus. I can say with David in Psalms 40:2, "He... established my goings."

The Lord saved me at the age of thirteen. I thank Him that He continued to work in my life and led me here to study His Word. During my first winter at Bible School, the Lord baptized me with His Holy Spirit. My favorite scripture is I John 3:2.

"... Great is Thy faithfulness." Lam. 3:23.  
This is my testimony as I reach my final year at school. God is faithful. I was saved at the age of eight and since then He has filled me with His precious Holy Spirit. I do not want my graduation to be a goal, but rather a gateway into future service for Him.

In Psa. 32:8 we read, "I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye." I thank the Lord for the opportunity to study His Word, and also for the instruction and teaching that I have received.

I am thankful for the privilege of studying God's Word at Bible School. Each day I realize more the depth of God's wisdom and knowledge, and the vastness of His love to me. His love for me, has given me a desire to tell of His wonderful salvation to those who have never heard. Romans 11:33.

"... Behold, I have set before thee an open door..." Rev. 3:8. When God's hand has opened a door, that is His command for us to enter. We must testify to the power there is in the blood of Jesus, and He promises to back us to the fullest extent of His resources. Acts 1:8 I Cor. 3:21-23.

"Herein is love, not that we loved God, but that He loved us..." I John 4:10. Since God loved me so, and sent His Son to die for me, I am very conscious that there is a great work to do, and little time to do it. It is my desire to be used in the work of the Lord.

Born a blue baby, raised a sick child, accepted Christ as Saviour at the age of six, baptized in the Holy Spirit the day after being baptized in water. I can thank God for giving us power to proclaim the gospel and power to prove our ministry. In ourselves we are, and can do nothing. Acts 1:8.

"Seek ye first the kingdom of God and His righteousness..." Matt. 6:33. Since coming to Bible School, this has been my theme. Each one must decide whether he will live for self or live for Christ. God has shown me through this verse that it pays to serve Him. It is my desire to always do His bidding.

It was a glad day when I accepted Christ into my heart as Saviour. He has baptized me with the Holy Ghost and has established my goings. I thank Him for leading me to the Full Gospel Bible Institute to study His Word. As I graduate my desire is to serve Him wherever he leads. Psalms 40:2.

I thank the Lord for saving me and giving me a desire to obey His Word. During the past three years of Bible School, He has given me a burden to go and tell others of His love. "... The fields ... are white already to harvest." John 4:35.

Bible School has not only been a study of God's Word, but also a school of better training for His service. I praise God for the power He has given to me through the Holy Spirit to be a witness in this world which so needs Christ. Phalms 70:15, 16.

I thank God for His great love. He has blessed me in many ways since bringing me to Bible School. My desire is to appropriate that which God has given me during my studies here, in greater service for my Master, wherever He leads.

*I would be kept Lord, so close to Thy cross,  
That each tiny hindrance shall burn up as dross,  
And as I draw nearer there shall be no loss,  
Just Holy Ghost joy—at the foot of the cross.*

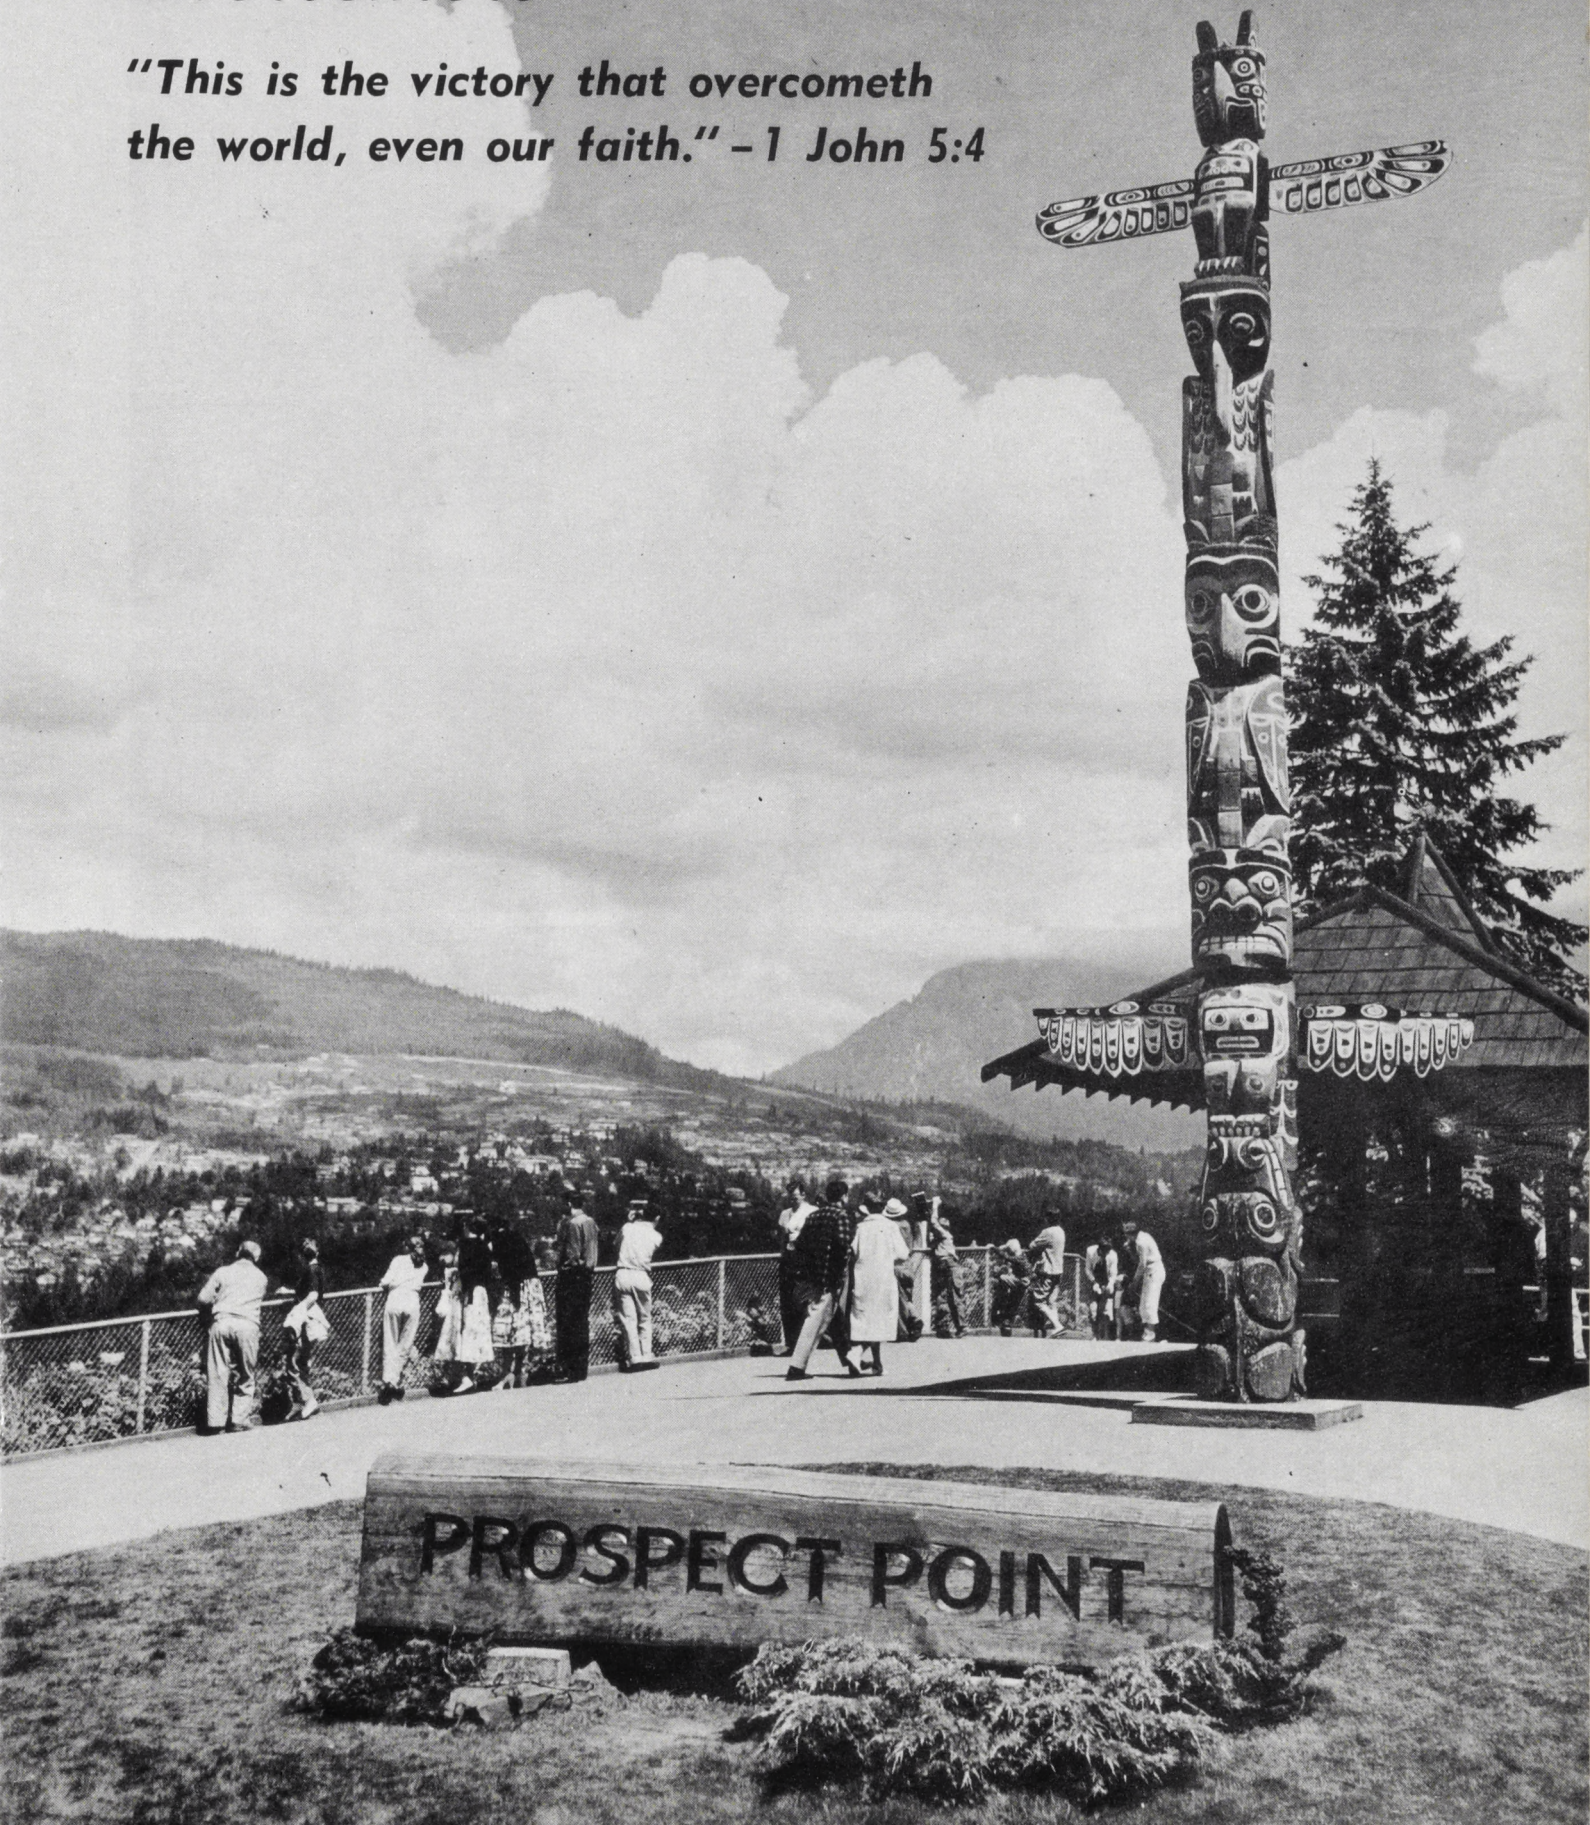

*Then shadowed by Calvary, onward I go,  
Praising rejoicing, for now Lord I know  
That the secret of blessing is keeping down low,  
For as I am "broken"—I SHALL overflow.*

## *Prayer*

Throughout the years, Prayer Bands have brought blessing and challenge to the students at F.G.B.I. We cannot, at present, go as missionaries to foreign fields. Our opportunities for personal witnessing are limited because we are surrounded by believers. The Bible states . . . "In Jerusalem . . . and to the uttermost . . ." During the winter Eston is our Jerusalem. It is here that we must begin to do our part. One avenue of service is prayer for this needy, Christless world. Prayer wins victories. Prayer becomes the means by which we are missionaries at F.G.B.I. As we receive letters from the missionaries and workers we begin to realize the needs of the field for which we pray. They help each one to realize that the mission field requires Christians who are strong in the Lord. They sober each heart as we realize the responsibilities God has placed on each of His children. Often, when a student prays for a certain field he becomes burdened, and after his graduation, obeys God by going to that field. Every Wednesday morning one Prayer Band conducts the devotions and presents its challenge to the students. There are recent reports on missionary work, letters, and even tape-recorded messages. Someone brings a message from God's Word. These mornings give opportunity for each student to develop his abilities for the Lord's service. Often we are blessed and challenged as visiting workers and missionaries speak to us. We thank God for the Prayer Bands and the work they accomplish. We pray they will continue to do so in future years.

## **AFRICA**

Africa consists mainly of two groups of people—Arabs and Negroes. The Arabs, who were the most civilized people in the ancient days have accepted for the most part the Mohammedan religion. Today, because of a large population their standard of living is low and their existence meagre. Being Moslems they are difficult to reach with the Gospel. In the past few years the Arab world has been at variance with the West, and the missionaries are not very welcome. Many have been asked to leave the country. Further south, Africa is inhabited by many Negro tribes. Social and racial differences between the Black native population and the White rulers have caused many riots and uprisings, the result of a spirit of nationalism and unrest. Communist propaganda helps to fan this flame into a fire. The African people have evolved social systems, religious beliefs and magical concepts that are extremely complicated. This includes a recognition of a Supreme Being, but He is remote and little concerned with human affairs. The people fear the power of evil spirits, and try to appease them by sacrifices and rituals through the medium of medicine men. Missionaries have told us of a consciousness of evil which pervades the whole continent. With all the political, social and spiritual problems, Africa is a very needy field. All of us are not able to go there, but we can all pray for this field and its missionaries.

The present day crisis in India is a great challenge to our missionaries. This should affect us in the home land. The doors of India's democracy are closing fast. At present Canada and the United States are only countries allowed to send missionaries to India. As we look across the angry waves we see the infiltration of Communism overwhelming a nation that consists of one-sixth of the earth's population. We also see the aggression of Communism in Tibet and the persecution of any group that preaches salvation through the name of Jesus Christ. In 1959, thirty-thousand Tibetans fled into India for refuge. 99% of India's people have not heard the name of Jesus Christ. This means they are without hope and the darkness of heathenism is spreading over their land. Millions are waiting for the message of comfort and peace that is in Christ Jesus. What would the words of Christ be concerning India? "Say not ye, there are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." John 4:35. Can we hear the challenge?

## INDIA EUROPE

Lovely picture, isn't it? Yet from within these confines a morbid picture of darkness and ignorance has been painted over the face of Europe. A picture which even the fire of the Reformation was not able to consume. Catholicism, although predominant in all of Europe, is at its height and glory in Spain. Her evangelical churches are allowed to hold services only if they obtain the necessary Government permission. Europe is also being infiltrated with the faith destroying, destructive, materialistic doctrines of Communism. Europe's greatest need is Christian literature. Communist presses pour out over four and one half billion pieces of literature each year . . . approximately two pieces of literature for every person in this world. Their literature is attractively printed, simply written, and cheap. There is virtually no Christian literature to compete with this. One missionary said, "We lost China because we failed to give the Gospel in literature." We generally look upon Europe as a poverty stricken, over-crowded, war-torn mixture of different nationalities in need of economic support. Europe needs something far more than economic aid. It needs the Gospel of Jesus Christ, and many consecrated Christian workers who dedicate their lives to the cause of Christianity. To help Europe, we can pray as Christ said, "Pray ye therefore the Lord of the harvest, that He will send forth labourers in to His harvest."

DOES NOT KNOW HOW TO KNEEL.

This great land of Canada in which we live, is a land of contrasts. On one side we have the prosperity of the White man and on the other the poverty of the majority of the Indian and Eskimo peoples. However, both the White and the Red man need to know Jesus Christ as his personal Saviour. The 100 churches of our Apostolic Fellowship strive to present the gospel to both the Native and the White. Rev. Leonard Simcoe, is one of our workers amongst his own people. We have a number of white men who have gained the confidence of the natives and are ministering on a number of reserves. However, our Prayer Band does not pray for just the workers of our own Fellowship but for any Evangelical worker. The Pentecostal Assemblies of Canada have many assemblies among the Indians and Eskimos. They have an Indian Bible School at Moosonee, Ontario. They operate the H. H. Williams Memorial Hospital at Hay River, N.W.T. Many other evangelical groups including the Baptists and the Christian and Missionary Alliance are at work reaching Canada's needy natives. One other area of contrast in Canada is seen in the relative freedom of evangelical churches in our English-speaking Canadian society and the difficulties faced in the Province of Quebec. It is roughly estimated that there are 60 French-Protestant churches among Quebec's 4 million French-speaking people. Truly the Home Missions Prayer Band has a great responsibility to bear. Join with us for Canada.

## HOME MISSIONS LATIN AMERICA

Latin America is a land settled by Europeans who brought in their religion—Roman Catholicism. It is only within recent years that Protestant missionary work has been carried on to any extent. Mexico is largely Roman Catholic, yet in the smaller villages even this religion is mixed with paganism. Missionaries entered this land the first time in 1846. Their work has grown steadily since, although there is much persecution. Opposition continues to this day, but so do the triumphs of the Gospel. Farther south is South America. The countries in this continent are also nominally Roman Catholic. The missionaries that enter these territories are severely persecuted. There is a ban on new workers in the country of Columbia at this time, and in recent years many national Christians have laid down their lives in martyrdom. Brazil is the largest country in South America and holds the greatest challenge for missionaries. There is much room for expansion of missionary work here. Argentina is probably the most advanced country in South America yet many of its people are atheists. There is religious freedom here though. Those who are labouring for the Lord in these lands desperately need our prayers. We must not let them down.

# Bands

"That they may know from the rising of the sun, and from the west that there is none beside me. I am the Lord and there is none else." Isa. 45:6. Japan, the land of the Rising Sun, is a land of contrast. To some it is a land of exotic oriental beauty and mysticism, but to these who have a vision it is a land where teeming millions grope in dark despair without hope. The Japanese have a highly developed civilization with a literacy rate of 98%. This presents unequalled opportunities to reach souls through Christian literature. The Communists, aware of this medium, are flooding the land with their literature. The modern trend among the younger generation is a disregard for the ancient traditions and beliefs. Here is a great unanswered challenge in presenting Christ to these young people before they are enticed by Communism. In an area smaller than our province of Saskatchewan, 142,300 square miles, close to 93 million people eke out an existence. These crowded living conditions exist not only in Japan but similar conditions exist in China and Korea also. These Orient countries comprise a large percentage of the world's population. Millions have never heard the name of Jesus. Our responsibility to God for these lost souls is truly great. Pray with us for the missionaries that go forth with the Light of the Gospel unto these lands of darkness.

## CHINA, KOREA, JAPAN ISLAND WORLD

Christ changes lives in any country or nation. Although the need is great, the work accomplished in the lives of this group of Formosan Christians, pictured here, reveals the rewarding results. Their faces show the peace which only Christ can give. There is political unrest in some of the Islands. In the past ten years, Formosa developed much, socially and economically, but there are still a few major problems. The rapidly increasing population creates the problem of maintaining the food supply. Also, the monetary inflations still persists. Roman Catholicism seems to have a strong hold in many of these Islands but there have been many Evangelical works started, and the various Pentecostal groups have been moving in. In the Phillippines, there has been a great increase in radio ministry to the Far East in over thirty languages. Cuba has also made real progress in establishing indigenous churches. In the past few years, the Island World has been very receptive to the Gospel of Jesus Christ. The political insecurity and unrest have made the people reach out for something more stable. Churches have grown and many people have been born again. Lately, however, the Island World seems to be closing its doors to the Evangelical missionary work. There is so much to be done, and He needs willing workers to do the job.

IT IS HARDEST TO PRAY.

## Student Council

It is a common thing for a student to come to Bible School with the idea that all his problems and trials have been left behind. However, after a few weeks of the heavy schedule we know at the Full Gospel Bible Institute, he soon finds that such is not the case. Situations and problems arise which he never knew would exist at a Bible School.

Considering that there are over seventy-five students enrolled, all coming from different parts of the world, different walks of life and all with different personalities, it is not hard to understand that some may find it hard to "fit in." Any student who is finding it hard to adjust himself to school life or has problems which cause him to be grieved in spirit finds it impossible to receive the most from the study of God's Word.

This is where the student council finds its place in

assisting the faculty in the smooth running of the school. Being "on the inside" as part of the student body, we are in a position to notice small things which could develop into problems. These small things, if brought to the attention of the faculty in time, can be eliminated easily.

It is also the duty of the student council to present the suggestions and wishes of the students to the faculty for their consideration. These suggestions and ideas are a great help to the faculty, because they present the students' point of view. Many times these ideas have a definite bearing on the operations of the school.

The fact that the students have an opportunity to share in the affairs of the school through the student council, promotes a unity in spirit among all concerned. This is so essential to the atmosphere that each student needs while studying the word of God, and preparing his life to win souls for the Lord Jesus Christ.

WHAT A MAN IS DEPENDS LARGELY ON WHAT HE DOES IN HIS SPARE TIME.

J. G. B. L.,  
Eston, Sask.,  
February 8, 1960.

Dear Buddy;

I have been enjoying the study of God's word very much in the last few months. In your last letter you asked me why I came to Bible School.

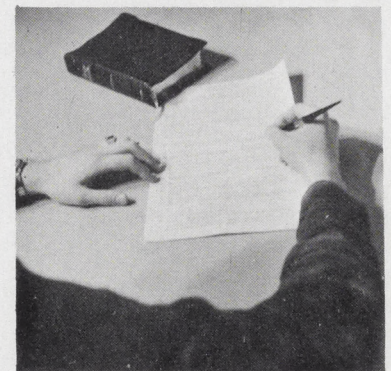

There were many factors involved. I was challenged one night at a campfire service at Children's camp. This was renewed later on at an A.Y.M. Rally. Beside this the visit of the choir to our assembly got me thinking about Bible School.

That night I bought a fearbook and got a better idea of what J.G.B.L. was really like.

I prayed much about the matter of coming and "Here I am!"

How about you giving some serious consideration to next term?

Because of Christ-

General Director

Bob Tauber

Child Evangelism plays an important part in the lives of the students at the Full Gospel Bible Institute. Christian Education is taught in the classroom, however, there is still no better teacher than practical experience. However, the primary purpose of Happy Hour is to reach children in their formative years with the Gospel of Jesus Christ.

There is always a scene of activity around the Bible School campus after school on Friday as students prepare to go to their respective clubs. In an interview with Mr. Bob Tauber, the general director of the Bible Club, we were told that there are five clubs conducted weekly. There are two clubs in the Eston Full Gospel Church as well as in homes at Elrose, Brock and Snipe Lake. Teams of four conduct each club along with the assistance of other students. Each team has a director who is responsible for the program and administration of his club. It is the purpose of the team to present a well rounded out hour of sound Bible instruction on the child's level. Realizing the value of memorizing God's word, an appropriate scripture verse is systematically taught every week to tie in with the Bible lesson. Object lessons, contests and other special features make up a very enjoyable and profitable hour every week for many boys and girls.

## Happy Hour Bible Clubs

Mr. Tauber stated that it was often at Happy Hour where boys and girls accepted the Lord as their own personal Saviour. Happy Hour has often provided an open door to witness to other members of the family as well.

Along with the weekly Bible club, the workers from all the clubs gather together once a week for prayer on behalf of the work of Happy Hour. This has always proven to be a real time of blessing as the different teachers tell of answers to prayer as well as share their burdens with one another.

Twice each year a special Happy Hour Rally is held in the Full Gospel Church in Eston. This enables the parents and others to become better acquainted with the work of Happy Hour. The Rally also gives the audience an opportunity to assist financially in the work. These offerings along with other donations help pay transportation costs as well as purchase supplies.

Although there may not always be visible results in the lives that have been reached, we know that God has promised that His word would not return unto Him void. Only eternity will show what has been accomplished in the lives of many boys and girls. Prov. 22:6 says, "Train up a child in the way he should go and when he is old he will not depart from it."

It is better to build a boy than to mend a man.
